

Week 50

For the next 5 weeks we will be busy with guipure lace. We start simple with 4- and 2-pairs crossings. This insertion has been designed by Christa van Schagen. You need 16 pairs of bobbins with linen thread 50/2 or similar.

I do not think this pattern will cause problems making it. The 2-pairs crossings can be made in several ways: Working the running pairs with a cloth stitch through each other; do the same with a whole stitch or work a cloth stitch or whole stitch, place a pin, and work a cloth or whole stitch back. Try every way and see the differences.

Have fun!
