

Week 20

Another Torchon lace designed by Bep Hoogerbrugge. This one is made by Christa van Schagen. An insertion with diamonds in cloth stitch and a border around the square with five hole ground. You need 20 pairs of bobbins with linen 60/2 or similar.

The five hole ground can be made in several ways but always with 4 pairs around 1 pin: 2 pairs on the lefthand side and 2 pairs to the righthand side of the pin. In this insertion first a half stitch is made with the 2 pairs left and the 2 pairs right of the pin, than with the 2 pairs in the middle a whole stitch. Place the pin below this stitch between these 2 pairs. Make a half stitch with the 2 pairs left and the 2 pairs right of the pin and a whole stitch with the 2 pairs in the middle. See also the drawing below.

Have fun with this insertion.
