

Week 47

We stick with the Schneeberg lace for a little while. This edging too is designed by Lia Baumeister. For this edging 9 pairs of bobbins with DMC fil de dentelle 80 or similar are needed.

In stead of the in the whole stitch sections drawn 3 hanging pairs there are 4 hanging pairs in the tape.

The pairs of the leafs are crossing the tape as on the drawing below:

Have fun making the edging this week!
